Daddy no words can describe the emptiness and pain we feel now that God has called you home, but daddy we are so very proud of you, you gave it a good fight daddy, but now your suffering is over.

We love you daddy with our whole hearts, and you will never be forgotten.

May you go now hand in hand with God and May your soul rest in peace.

*“Beyond life’s getaway”
There’s an open gate
At the end of the road
Through which each must go alone,
And there in a light we cannot see
Our Father claims his own,
Beyond the gate, Manuel you will
Find happiness and rest.
And there is confort
In the thought
That a loving God knows best.
Rest in Peace.*
